

## Blackboard LMS LTI Tool Configuration

This document outlines the steps for configuring the SAGE vantage LTI 1.1 Tool in Blackboard. Once the LTI tool is created, Instructors will find the placement in the Tools dropdown of any content area.

## Step 1: Register SAGE vantage

1. Log into your Blackboard LMS as an Administrator. Next, go to the **Administrator Tools** page. In the Integrations section, select **Building Blocks** to begin.

Integrations
Institution Cloud Storage
Data Integration
Authentication
Building Blocks
Web Services

2. Under Building Blocks, choose LTI Tool Providers.

3. Next, click on Register Provider Domain.

- 4. On the Register Provider Domain page, complete each section as indicated.
  - a. Provider Domain Status
    - i. Provider Domain: vantage.sagepub.com
    - ii. Provider Domain Status: Approved

Register Provider Domai	n
